PROJECTS

Resume Roast - AI Resume Critique | *React, Google AI Studio, Elevenlabs*

Sept 2024

- Worked with a team of 3 to develop an AI powered web-based tool that analyzes a resume and produces AI songs giving constructive criticism.
- Engineered effective prompts to extract key insights from resumes, providing tailored feedback on content optimization, keyword usage, and formatting.
- Delivered tailored, constructive resume criticism that improved several users' job applications.

Express-CV (Personal) | *React, Javascript, NodeJS*

Oct 2024

- Developed a web application designed to help users easily generate custom resumes by dynamically entering personal information, education, and work experience.
- Implemented streamlined user interface that allows for easy customization and formatting of resumes, tailored to individual preferences and professional requirements.
- Simplified resume creation for users, enabling them to tailor their resumes to specific professional needs efficiently

EXPERIENCE

Receptionist | *Rachel Maison de Beauté*

May 2023 – Aug 2024

- Set up and maintained essential systems for managing client bookings, transaction records, and customer history, streamlining appointment scheduling and payment processes.
- Managed appointment scheduling and administrative tasks, ensuring smooth operations during peak hours and maintaining an organized work environment.
- Ensured a welcoming and clean environment, enhancing the overall customer experience through strong organizational and multitasking skills.

Banquet Waiter | *Roma's Hospitality Centre*

Oct 2022 – Present

- Delivered high-quality customer service to hundreds by welcoming guests, taking orders, and ensuring a seamless dining experience while managing multiple tables simultaneously.
- Collaborated with kitchen staff to ensure accurate and timely delivery of food, addressing customer inquiries and resolving issues to maintain satisfaction.
- Assisted in team meetings and training sessions, staying updated on menu offerings, service standards, and policies.
